Let us Do

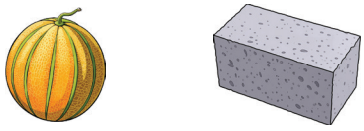

THB

Ask the children to do a practical activity by collecting objects and checking whether they roll or slide when placed on a slider.

Let us Practise

Circle the rolling object.

Box the sliding object.

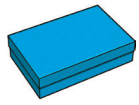

Circle the object that rolls and slides.

How can an object both roll and slide?

Tick (✓) the nature of the given objects and draw another object with same nature.

 ☐ Rolling ☐ Sliding ☐ Both rolling and sliding	 ☐ Rolling ☐ Sliding ☐ Both rolling and sliding	 ☐ Rolling ☐ Sliding ☐ Both rolling and sliding
