Observe and Discuss

Are all flowers the same?

Malligai

Saamanthi

Roja

Pavazhamalli

Shenbagam

These are fragrant

Vada Malli

Let us Sing...

Oh! little sparrow, fly into the garden
What flower did you bring?
A basket full of jasmine ...

Idly Poo

Sangu Poo

Nithiyakalyani

Kanakambaram

Flowers have different colours. Some have a lovely smell (fragrance). Some grow in clusters and some are single.

Bring as many kinds of flowers as you can to the class. Help children complete the song by changing the names of the flowers.

Do and Learn

1. Tick (✓) the correct flowers.

a. Flower that grows in a bunch:

b. Two flowers that are fragrant:

c. Write the name of a flower that you like. _____
