3.1 Patterns in sounds

Travel through

On my way to school !

Mathi is going to school. On the way, she hears many sounds. She is enjoying the patterns in it. Let us go along with her and enjoy it.

Teacher's note

- Enact the situation in the classroom by producing the above sounds.
- Encourage the children to mimic some other sounds that they have heard in their real life situations. Example: Sounds of birds, animals, vehicles, etc.,
