Let us Learn

THB

Discuss the above situation and encourage children to share their experiences about *tall* and *short*.

Let us Do

Build a tall tower

THB

Divide the class into two groups. Ask them to build a tall tower using the objects around them. Discuss the situation and encourage children to use the words *tall* and *short*.

Let us Practise

Circle the building that is shorter!

Tick (✓) the tree that is taller!
