

Let us Practise

Subtract and write.

8 - 1 = 7	9 - 4 =	3 - 1 =	8 - 3 =
9 - 7 =	6 - 1 =	7 - 3 =	5 - 2 =

Subtract and colour the correct answer.

7 - 5	2	3	4	5
8 - 3	2	3	4	5
9 - 6	2	3	4	5

Let us Do

Divide the children into groups of two and ask them to take different number of seeds, not exceeding 9. Ask them to take all the seeds except 3. Encourage them to change the number of seeds taken and complete the subtraction facts by asking each other.
