Let us Do

Arrange 9 tumblers.

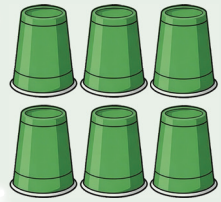

Throw a ball at them.

3 fell down

Observe and answer.

6 remaining

THB

Invert the cups not exceeding 9. Instruct the children to hit the cups using the balls and encourage them to tell the number of cups that remain.

Let us Practise

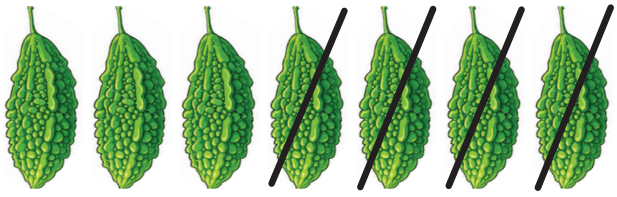

Observe the pictures and find the answer.

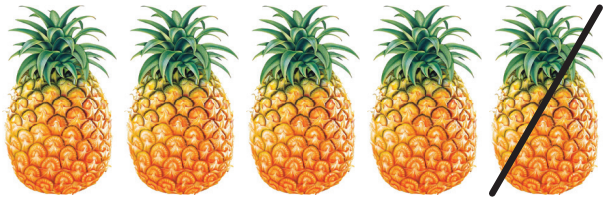

3 - 2 =

__ - __ =

__ - __ =

__ - __ =

THB

Make the children understand *subtraction* facts. Encourage the children to strike off the objects from the given set of objects to find the remaining. Introduce them that '–' is used to denote subtraction.
