

Practice Time

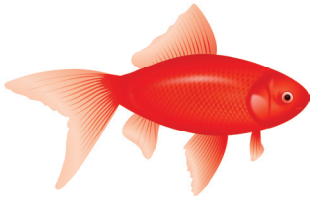

1. The children made a train. Circle the things they used.

pencil

book

apple

eraser

fish

ruler

umbrella

dog

2. Draw two things you want to add to the train.

3. Listen to your teacher and answer.

- What can we use to make a train?
- Where will our train go?
- What will be the engine?
- What sound does the train make?
- What else can we make with our pencil boxes, books and pencils?
