Do and Learn

1. **Find the vegetables that can be eaten raw and join them to make a 'ᑌ' shape.**

2. **What is your favourite vegetable that can be eaten raw?**

_____

See, I have many kinds of lady's finger in my garden.

3. **Bring me different kinds of chillies. Draw and colour them. (You can include capsicum)**

Red Chilli	Green Chilli	Green Capsicum

THB Bring red chillies, green chillies and capsicum. Help children understand that these are different varities of the same vegetable.
